TO: Group Five Contractors and Subcontractors

Dear Group Five Contractors and Subcontractors

The business rescue practitioners of Group Five advise all subcontractors that they are in the process of assessing all contracts and that, in this regard, the Group Five manager of the project will be in contact with you to confirm the status of the project and the way forward. The Group Five representative will be in contact with you as a matter of urgency. We kindly request that you be available for an engagement when contacted by the representative. We request that you do not de-mobilise your teams until there has been engagement with the Group Five representative. We, the BRPs, have tasked representatives to communicate with you as a matter of extreme urgency in the interest of stability on the various project sites.

Yours faithfully,

Peter van den Steen
